Proposed Revival of The Gundog League Of India.

Immediately after the U.P. Gundog Club Field Trials meeting ,the matter of reviving the Gundog League Of India was fully & freely discussed on 11th,12th & 13th February,1951,in Delhi.

Taking into consideration all the problems & the attempts so far made at reviving the League,it was unanimously agreed that the Gundog League Of India be revived on purely sporting lines,free from all political influence or any Provin-cial bias.

With this object in view Gen.K.M.Cariappa O.B.E., Commander-in-Chief of the Indian Army,was approached to accept the Presidentship of the League.Like a true sportsman he readily agreed on the field & again confirmed his willingness to become President,with a keen desire for revival of the Gun-dog League Of India.

With a view to let the newly revived body have the fullest advantage of ripeexperience,Lt.Col.Wazirzada Ajaib Singh,Ex-Minister Jind State,was prevailed upon to act as Hony Secretary for atleast one year to set everything going,as besides being an old breaker & handler of repute,he has intima-te knowledge of the working of Gundog Clubs.He was then empow-ered to approach the Kennel Club Of India on behalf of the Gundog owners then present in Delhi,and obtain sanction for revival of the Gundog League Of India & transferance of all its files,papers,assets & funds to the President Gundog League Of India,Gen.K.M.Cariappa,O.B.E. 4 King George's Avenue,New Delhi.
